

SHORT BIOGRAPHY

Christian Bolinger, BEng. (Hons)

Managing Director, List General Contractor GmbH & Cohrs Werkstätten GmbH

Christian Bolinger was born in 1971 in Madagascar. After graduating from his Bachelor's degree in Engineering in Yacht and Powercraft Design in England, the Swiss citizen started his professional career in 1997 by launching his own engineering and design office for designing ships and yachts. He remains true to these issues and to the industry in his further career steps. In 2008, Christian Bolinger founded a yacht brand together with the professional America's Cup sailor Christian Scherer for sports sailing yachts that he designs. After this he became Managing Director of a Dutch shipyard, where he was responsible for building and developing the brand and gained extensive experience in management and leadership.

In 2016, Christian Bolinger joined List General Contractor GmbH as Head of Sales & Service and since then has demonstrated his excellent knowledge of the industry. He worked for List GC all over the world and was significantly responsible for completing numerous yacht and building construction projects. Since November 2020, the sales professional has been responsible for Sales, Manufacturing and Project Calculation within the List GC management team. In September 2022 he also became Managing Director of Cohrs Werkstätten GmbH.

Christian Bolinger now lives in the Netherlands with his wife and two children. He's a passionate kite surfer and enjoys spending his free time with his family.
