

SHORT BIOGRAPHY

Josef Payerhofer Managing Director

List General Contractor GmbH, Cohrs Werkstätten GmbH, Riederle Werkstätten GmbH

Josef Payerhofer began his professional career over 30 years ago at List. The trained carpenter with a Master's certificate joined the List furniture factory in 1991. He quickly established himself successfully in project management both "on land" and "at sea". The interior fitting from *The World – Residences at Sea* project, a major milestone in the company's history, bear his signature.

Before joining the management team at List General Contractor GmbH in summer 2005, he demonstrated leadership qualities as head of the "at sea" division. A year after he became an authorised officer, he was appointed managing director in autumn 2006. Once on the management board, Josef Payerhofer initially focused on Sales, before assuming responsibility for the central value-adding areas of the company in 2016. Among other things, he successfully promoted the further development and efficiency increase in the core area of Project Management. Later on, Josef Payerhofer took over the tasks of Project & Fleet Management, Engineering & Quality Management, Purchasing, Controlling & Finance, IT, Human Resources and Logistics & Infrastructure within the List GC management team. In September 2022 he also became Managing Director of Cohrs Werkstätten GmbH, and in July 2023, he was appointed as Managing Director of Riederle Werkstätten GmbH, both subsidiary companies of List General Contractor.

The native Styrian was born in 1970. He's married and has a daughter and son. In his free time he likes doing sports and enjoys spending time in nature.
