

EXQUISITE INTERIOR

## FACTS & FIGURES List GC

June 2021

### An introduction to List GC.

List General Contractor GmbH (List GC) is an international, family-run interior outfitter that provides exquisite interior design solutions by land and sea and is headquartered in Bad Erlach, Lower Austria. List GC furnishes exclusive motor and sailing yachts as well as exquisite apartments and residences with superior engineering and craftsmanship. Specialising in highly complex projects, the company stands for top quality, fast and reliable implementation, discretion and flexibility.

### List GC's strategy.

As a general contractor and implementer, List GC offers everything from a single source – ranging from planning, through project management and all the way to production and assembly. List GC offer employees a very modern, international working environment with numerous opportunities for promotion and room for creative development in a family business with a flat hierarchy. In short: A trustworthy counterpart. For employees, customers and partners.
